

6 Must-Have Designer Kurtis Every Girl Should Have In Her Wardrobe

Many girls say that when you are confused and have doubts about your look, wear a Kurti and look simply gorgeous. At present, there are countless styles available in the market.

We all know that western dresses look amazing, but no dress can ever match the grace of ethnic dresses. This is the reason why the normal and **designer Kurtis** are the favorite of every girl and woman. In fact, now various styles of the Kurtis are getting popular in the overseas countries. Many girls say that when you are confused and have doubts about your look, wear a Kurti and look simply gorgeous. At present, there are countless styles available in the market. In this article, today we are going to tell you about the best and hand-picked Kurti styles that every girl should have in her wardrobe. Scroll down to read more.

Hand-picked Designer Party Wear Kurtis

If you are willing to look your ethnic best, then choose one of the below-listed regular and **party wear Kurti**. Although there is a wide range of Kurtis available in the market, we have picked some of the best and popular designs. Just look at the following latest trends of Kurtis:

1. **Flared Kurti:** This style is getting popular day-by-day. This style of flared Kurti looks very appealing on the occasions like festivals and religious activities. The best thing about this Kurti is its look. This Kurti comes with the double layers. The upper layer is decorated with the gorgeous buttons, laces, borders, etc. In fact, this one of the latest trends and a perfect pick for the upcoming festive season as well. One more thing, the Kurti is available in various fabrics. So, you can choose as per your comfort level.
2. **High-Low Style Kurti:** This trend is quite in these days. Be it a shirt, top, or a Kurti, we are seeing this style nowadays. This style of Kurti is perfect for regular use. Girls who want to get unique and something Indo-western look for a day can wear this style of Kurti with a denim. It is an outstanding way to spread casual vibes everywhere. The appearance of this Kurti makes it the best **party wear Kurti**.
3. **Asymmetric Kurti:** Another trendy style of Kurti is Asymmetric. This style of Kurti has already adopted and evolved the touch of contemporary silhouettes. In fact, this style is one of the most vogueish and modern trends of Kurti. You can go for the Kurti with piping and printing work. For summers, you can choose the cotton made Asymmetric style of Kurti. It is not just relaxing, but stylish too.

4. **Formal Kurti:** One of the best colors in formal Kurti is white. So, if you are thinking to complete your wardrobe, then buy a white formal Kurti. Such Kurtis look extremely beautiful with tribal and ethnic style jewelry pieces. To take your beauty one level up, don't forget to carry the Ombre Dupatta. If you don't like plain white Kurti, then you can go for some embroidery or thread work Kurtis. In fact, embroidered white Kurti has considered as one of the best **designer party wear Kurtis**. The reason is very simple- the white color looks pretty on every girl. By wearing the right accessories, you can look pretty.
5. **A-Line Kurti:** If you want to look slimmer and elegant, then A-line Kurti is the perfect pick for you. The best thing about A-line Kurtis is that they are available in many fabrics. If you are searching the best **designer Kurtis** for parties and special occasions, then you can buy the cotton-silk made A-line Kurti. By wearing cotton-silk made Kurti, you can add a statement to your look.
6. **Long Straight Kurti:** This collared Kurti is fun and quirky. There are several beautiful and youthful prints available in the market at present. If you don't like to wear traditional prints. Then you can invest your money in this gorgeous Kurti. Most of the long straight Kurtis are made from georgette. This is the reason why these Kurtis are light and comfortable. To complete your look, you can wear the Kurti with matching leggings and over-sized danglers.

So, these are the latest trends that you should buy to complete your wardrobe. One more thing, if you are buying one of these above-listed **designer Kurtis**, then it is suggested to spice-up your look by wearing the right jewelry.
