

7 Ways to Make a Man Fall in Love With You

There are 7 things that you, as a woman, can do to make a man fall in love with you. Learn some basic steps and you can be assured to get him to notice you romantically..

Everyone woman has seen a man and has had a hard time talking around them. It could someone at work, someone in your class at college or the person who lives in your neighborhood. Is there someone you are friends with or perhaps been on a few dates with and the feelings have gotten more intense? Whoever he and whatever the situation is, you know how you feel when he is around and when you see him. You want him but do you know how to make a man fall in love with you?

There are 7 things that you, as a woman, can do to make a man fall in love with you. By following these steps, you can be assured that you are doing everything in your power to get him to notice you romantically.

(1) Appearance Improvement

It is necessary when trying to win over a man that you have good appearance and hygiene. Be sure to have everything about you neat and clean including but not limited to your hair, teeth and nails. If you are not sure of yourself, then this doubt in self esteem does show. If you show a positive attitude and self esteem, you are likely to get a positive response.

(2) Fixing Problem Issues

By talking with your friends, you can find problems that you may not notice. Do you have bad breath? How about a body odor problem? Can you speak honestly to people or do you have a habit of lying? By finding out the weakness or two that you have, you can change it so you can keep up your façade.

(3) Effective peopling skills

There are 7 different things you can do to have great people skills that help to make a man fall in love with you.

- (1) Have a friendly approach
- (2) Stave off fights
- (3) Make your man feel important
- (4) Should your man be wrong, don't tell them
- (5) Find out about their interests and talk about them.
- (6) If you can, give the man compliments
- (7) No complaining

(4) Learn Small Talk, Do It Well

There are 8 things that need to be done while you are talking with someone.

- (1) Try to say something nice
- (2) Be clear what you mean
- (3) Talk with the emotion that is needed for the moment
- (4) Do not say something off the wall that is clearly in poor taste
- (5) Listen more talk less
- (6) Give the man your undivided attention
- (7) Use body language for positive talk and reaction
- (8) Make sure he has good flow; help him get there

(5) Break Down the Walls

Try to show your man that you are a human and have made honest mistakes. By being yourself and have an open attitude, you can get the walls he has built up broken down.

(6) Show Him the Best

Show him each of your best sides. You want him to see the emotional, romantic and sensual side and your best qualities.

(7) Time the Emotional Moment

When you show him what you are like at that appropriate moment, it makes a lifelong impact. It is these moments he is liable to recall years later.

How to get a man to fall in love with you can be easy so long as you remember that love and relationships take work. By being you and doing minor improvements, you are on the right path in getting back the man of your dreams. Visit <http://howtomakeaguyfallinlovewithyou.com>
