

## Female Gift Ideas

---

The holidays are quickly approaching which means you need to start thinking of gift ideas for the females in your life. Here are a few female gift ideas.

### Female Gift Ideas

Female sounds like a strange word to use in this article, but there really isn't any other way to group moms, wives, girlfriends, sisters, daughters and so on. With that in mind, here are the top female gift ideas, which you can find online by just searching for each name.

1. Sonic Stain Remover ? .The Sonic Stain Remover is an electric clothing stain remover. It uses ultrasonic vibrations to literally shake the stain off of clothing without doing any damage to the clothing. Will tackle tough stains, even spaghetti sauce and coffee spills. The Sonic Stain Remover will run you as low as 23.99 online.
2. Medi-Points Foot Massager ? Think she looks great in those high heels? Well, there killing her feet. Unless you want to be rubbing them all night, you'll want to invest in the Medi-Points Foot Massager. This foot massager dominates the market because it actually straps her feet down onto the magic balls. Designed by acupuncturist, this gift will bring a sigh from her after a day of hoofing it around in those stilts she calls shoes. You can find it online for 95 to 100.
3. Snore Stopper ? This is one of the gifts you give her, but she gives to you, your dad or whomever. The Snore Stopper is a watch-like device that is specially designed to stop people from snoring. It works by giving the snorer a little zing every time they start snoring. It doesn't hurt, but is just strong enough to force the body to stop snoring. Eventually, the process will train the mind to control the sleeping process in a way that prevents snoring. No snoring means she'll finally get some sleep! You can expect to pay in the 45 range online.
4. Nomad Writing Journals ? If she loves the outdoors or traveling, Nomad Writing Journals make great gifts. These journals are tailored to activities such as travel, fly fishing, bird watching, backpacking, camping, rock climbing and so on. They come with or without a case and provide writing space as well as cues for writing down important information. A great keepsake for her to preserve travel and outdoor experiences. The journals cost as low as 9 without waterproof case and 25 with case.

Whether she's your mom, girlfriend, wife or, yes, even a sister, she's important to you. These female gift ideas are a good place to start when buying for her this holiday season.
