### **How and when did I hire an independent escort?**

As planned, I had my stay in a five star hotel. I stayed for a week. Then, he explained me everything about **Pune escorts services**. He said that the services have been available in this city for a long time and those men, who are voluptuary by nature avail them from time to time. The services are fair and there is nothing to feel worried with regard to safety or security. He coaxed me to hire one of the **Pune Independent Escorts, Gauri Anand**, who is very famous in the city. Feeling romantic, I could not control my emotions and agreed at once. He called her up and she came to offer her service. The services that she provided to me included oral pleasure, Hand job, Blow job, missionary position, smooching, 69 sex styles etc.

It was the manager of the hotel, who explained everything about **Call Girl Pune escorts** to me. He said that there are numerous escorts in this city and they are divided into two groups: Agency escorts and Independent escorts. The former ones are ordinary ones and work under an agency to earn money. Their services are provided for one hour or two hours. More often than not, it is the ordinary clients, who run after these escorts. As far as [Independent Pune escorts](#) are concerned, their qualities are different from agency escorts. Their level of education is very high. Even some of them are professionals. They belong to a very high status family and spend quality time with their clients.
