Every women wants her man go crazy at her every move and action. It is a great feeling to have your man hanging around you making you feel very wanted and cared for. But are there any hard and fast rules which can help you to make him crazy of you? People generally advice to put in great effort or change or alter your lifestyle according to your beloved. But then don't you think it is time to think out of the box and set new rules to the age old game of love?

Love Thyself as You Wish Other to Love You

The first most imperative requirement is to love oneself. When you have this love for yourself it will reflect in everything in and outside you. You will love great, feel great and live a great life. The attitude you take in life changes once this self love reflects in everything you do. When you have self love you will have great self esteem which will not allow others to take advantage of you. Usually men aren't much inspired or taken back by women who are available very easily. So women who are ready for anything to get man are generally looked down by men.

Jealousy is the Best Policy

Try to spend as much time as possible with friends just to kindle the jealous fire in his mind. He will be driven crazy thinking of your long hours with your friends. He will long to have you back and do whatever he could to keep you away from your friends. He will act like a hunter and try to protect and keep you with him all the time, if you are not reachable as and when he requires. The more he craves for your company the more he will become crazy of you.

Be a Good Listener

Sometimes you have to be a good listener to make your man feel that you really care for him. Don't be too self centered and always talk of your life and your desires. Give him some space to talk his mind out at times. Men liked to be appreciated and praised for their actions and so compliment whenever possible to keep his spirits high. Try to ask question and extract his life experiences. He will start opening up and share things comfortably and will start feeling the difference very soon. This difference and the comfort zone which you create in his mind are definitely going to be a jackpot in your relationship.

Looking into the eyes of the beloved is an age old tradition for long lasting love. So don't forget to keep your eyes on his for as long as he talks. Of course you can close them when he goes beyond words and set into action by kissing you.

You have the power within you to make a man love you. Don't just leave it to fate or wait for him to approach you. Get the best surefire strategies that no one is telling you about. You will feel much confident after visiting http://www.squidoo.com/make_a_man_fall_in_love
