Would you like to know "how to get a girlfriend"? Getting a girlfriend...

Would you like to know "how to get a girlfriend"? Getting a girlfriend is about knowing and understanding basic factors that will determine your success. If you want to get a girlfriend in the shortest time possible and with surprisingly little work, then you need to get started right away...

### How To Get A Girlfriend...

The first thing you need when finding out how to get girls - is a plan. In fact, you need more than that. You need a proven step by step guide that tells you everything you need to know about getting a girlfriend AND most importantly, gives you the exact method for actually getting her.

That's the big issues I have with so many of these "dating guides"... they do a great job of telling you the kinda things to consider, but they don't once tell you **how to get a girlfriend**. I guess they expect you to figure it out for yourself. By the way, I'm not in any way suggesting that you actually try to figure out for yourself how to get a girlfriend! It wouldn't be fair when you could just do what works and avoid ways that are going to make you look stupid and embarrass you.

Anyway, lets get into the meat of the matter...

### What do you need to get a girlfriend?

It all boils down to knowing and doing 9 things. When these 9 parts of the equation are in place - you will succeed. So what are these 9 things that will ensure your success and almost guarantee that not only do you know how to get a girlfriend... but also... that you actually *do get a girlfriend*.

If your anything like me, your most interested in the results - not theory. So I'm gonna cut to the chase...

To get a girlfriend you need to stick by these 9 points...

- Desire - this is important as it drives you to success and when you have nothing else - this will keep pushing you towards getting girlfriend that you desire.
- Self Confidence - this is what the expert Chris Smith calls the platform of almost everything in life. And I agree completely with what he's saying. Without this, you won't have a base to work from.
- Getting past fears - you just gotta put all those stupid fears and anxieties behind you if you want to know how to get a girlfriend.
- How women think - knowing a little bit about how women process information is an important step towards getting a girlfriend.
- Authority - this is kinda like your social status amongst other things.
- Approaching - walking over and knowing exactly what to do, say and how to act.
- Conversation - talking to girls and making a good impression.
- Story Telling - an extremely effective way to almost control a womans emotions and attach positive feelings towards you.
- Humor - being funny is just one of those things that attracts girls like no other. You might not believe that your a funny guy, but making girls laugh is nothing like making a guy laugh. Whole different thing entirely.

Once you have discovered the secrets locked within those 9 factors I just briefly outlined - you will know exactly how to get a girlfriend. In fact, you'll know how to get almost any girl.

This really is very powerful stuff. And for the first time ever, a guy called Chris Smith has truly cracked the code and provided guys with everything they need to get a girlfriend and a whole lot more!

At time of writing, this information is still available to the public. However, I am aware that it will not be that way for long. You see, the tactics that he reveals are extremely powerful. They literally give any guy the opportunity to get almost any girl. If too many people got hold of these little known techniques things would surely get out of hand.

But as far as I know, you can still get hold of it. So follow the link to find out about [how to get girls...](#)
