

## Islands to Visit on Caribbean Yacht Charter

---

There are several islands in the Caribbean and thus chartering a yacht gives you a unique opportunity to visit them and explore the unearthed beauty of nature. Here,

Booking a charter to rejuvenate your mind body and soul is something that is becoming not only common, but preferred by young travellers. People not only prefer to go for simple yacht rides but love to take the boat under their own command and explore natural beauty like never before. Even though there are several yacht chartering and sailing agencies all over the world, it has been observed that the Caribbean yacht charter records more number of young travellers and enthusiasts every year, attracting over a hundred thousand people in seasonal times. Here, we compile a small list of the top few island groups that you just can't afford to miss out when you book your own [Caribbean sailing charter](#) for vacationing.

### Bahamas

The islands of Bahamas need no introduction. They are popular among the elites as well as travellers for natural beauty, variety of sports and breathtaking scenery that is enough to rejuvenate your senses. Not only that, the islands of Bahamas also offer several fun activities apart from raw expeditions.

### British Virgin Islands

Even though they are not really popular, the British virgin islands remain among the top most beautiful islands in the Caribbean that one can visit and enjoy. The beautiful beaches and ample sunshine is enough to give you a break from the extreme weather. Perfect for sports activities, you should definitely put that on your list for Caribbean expedition.

### Grenada and St Vincent

Grenada and St Vincent happen to be very popular among holiday goers. In fact after Bahamas and Puerto Rico, they form the most popular island group in the Caribbean that appeal to the holiday goers. With ample space and clear waters accompanied by a light sunshine kissing you - you just can't afford to miss out the fun here.

### Puerto Rico

If you are planning to go all James Bond on holidays and are planning to take a break from natural beauty while holidaying, your next stop should definitely be Puerto Rico. Filled with beautiful beaches topped with casinos and amazing bars, Puerto Rico has all that you need for an amazing holiday stay.

### St Martin

The least popular for holiday goers, the island still manages to attract decent footfall when it comes to yacht charters. Not as filled as others in terms of bio diversity and natural beauty, St Martin is more famous for its peaceful location and environment, giving you the much needed rest and escape for a new beginning.

There are of course other islands as well, like Antigua that beg for attention and you might just add them to your visiting list. To get the most out of your [Caribbean yacht charter](#), try visiting all the islands and spend ample time to take in as well as enjoy each one's uniqueness.
