Heading on holiday to the beautiful country of Canada is an absolute treat for visitors who like to keep active and love the great outdoors when on vacation. There is so much to see and do in this beautiful destination that will keep tourists busy, and ensure they leave with a range of memorable experiences. Canada is a lovely country filled with natural beauty and incredible wildlife that definitely has to be discovered on a trip there. It is a holiday spot that provides travellers with the opportunity to get off the tourist trail and find unique and thrilling experiences to discover, where they can enjoy the best the country has to offer visitors.

Skiing is definitely a wonderful pastime for tourists who visit Canada and they should think about heading to one of the largest resorts in the world. This is found in the town of Whistler near Vancouver that offers great skiing and snowboarding experiences. The resort opened in 1966 and provides around 200 trails stretching across two peaks including Whistler and Blackcomb Mountains. There is also a vast array of other activities at this holiday spot including spas, helicopter rides, musical concerts and many family events. This part of Canada is actually famous for hosting the 2010 Olympic and Paralympic Winter Games.

A wonderful accommodation to head to when staying in this part of the country is the lovely [L'Hermitage Hotel Vancouver](#). This residence is found in the heart of the city close to a range of entertainment and shopping venues. The luxury property has high-speed internet in rooms and all public areas, as well as a fitness studio and business centre. There are bikes available for hire and an outdoor heated saltwater pool and Jacuzzi that offers gorgeous views of the city. The rooms and suites have a large plasma television, iPod docking station and a Nespresso coffee machine. L'Orangerie Dining Room and Lounge is found on the fifth floor, and provides delicious food throughout the day that includes a superb afternoon tea.

Travellers will adore staying at L'Hermitage Hotel Vancouver as it offers first-class staff members. Tourists in

Canada should certainly head out to meet the huge variety of sealife along the three coastlines available to them. There are orca whales, porpoises, seals and sea lions on offer, which can be seen on one of the many boat tours organised by marine experts. Great places for whale-watching include Tadoussac, Quebec as well as Churchill, Manitoba, and Robson Bight Ecological Reserve in British Columbia. These top spots will provide a unique and memorable experience for tourists who want to learn about sealife.

Churchill in Manitoba is also a fantastic place to discover polar bears usually between the months of July and November. There are amazing grizzly bears wandering around Banff and Jasper National Parks in Alberta between May and October, as well as wood bison at the Wood Buffalo National Park from June to September. Viewing these fabulous creatures in their natural habitat is a captivating experience for tourists in Canada. Something else that is unique for travellers to discover are the festivals dedicated to maple syrup. This popular food product has several top events dedicated to it between the months of February and April.
