

My Favorite Sport is to do Yoga and Surf in Bali

if you are looking for a good activity or sport to pass your holiday perfectly, it is very recommended to you to try surf Bali!

Nowadays, everybody love to do sport. Some peoples prefer to go to the gym or do another types of indoor sports to shape their body without getting burned. But for me, personally, I prefer to do outdoor sports, such as skateboarding, jogging, Yoga, and surfing in Bali.

Well, sometimes yoga could become an indoor sport, but I prefer do yoga outside, especially in the beautiful garden with beautiful ambiance. Yoga is one of my favorite sports to do. With this type of sport we could become more powerful and relax at the same time. We can shape our body and enjoy a good ambiance of nature when we do yoga in Bali.

Bali is a beautiful island which is blessed by its beauty of nature. This island propose many perfects locations for you who want to do yoga in the beautiful area. It is very possible for you to do yoga in the middle of green rice field or in the seaside. Because of its location which is surrounded by blue ocean, Bali also propose tens perfect locations to do surf.

Bali has both black and white sands beaches in its four corners: south, north, west and east. Most of people love to start their surf day in the south of Bali, more precisely in Kuta and Canggu. Both of the beaches have a small waves which is safe for beginners who want to start their surf Bali day.

Yes, surf is another types of my favorite outdoors sports to do in Bali. This kind of sport is being popular both for local or tourists. By doing surf in Bali, we could have a good chance to touch the beauty of Bali. Ocean is become its soul. So if you are looking for a good activity or sport to pass your holiday perfectly, it is very recommended to you to try [surf Bali!](#)
