Choose The Perfect Cut For You

## Jogger Bathing Suits

- > If you don't feel comfortable wearing a traditional swimsuit but you do want to have fun in the water, this is the option for you.
- > The scoop-necked top is made of nylon and spandex, has built-in support at the bosom, and comes with matching swim shorts.

## Skirtini Swimsuits

- > These swimsuits come in one piece or two pieces and basically look like a fashionable dress that you've worn to the beach.
- > They come in different colors and some come with a way to adjust them so that you can make them look longer or shorter.

## Basic One Piece

- > One-piece swimsuits usually come with wide shoulder straps and foam bra pads for extra support.
- > Most types contour to the shape of the legs so they appear slimmer. Some even come in exotic designs or colors.

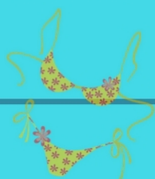

## One Piece Boy Short Swimsuits

- > These are fashionable swimsuits that look like you're wearing a tank top and shorts, but it's all one piece.
- > These swimsuits are popular with people who aren't comfortable with showing too much skin.

## Two-Piece Swimsuits

- > If you love your body and want to show it off, this is the perfect option for you.
- > You can look sexy in a 2-piece swimsuit that shows off your ample curves.
