

## Tips to Get a Dynamic Personality

---

Your personality creates the first impression and mostly it is deep. A youngman with a dynamic personality always gets great job offers and a businessman attracts clients as well as business. In modern world of cut-throat competitions it has become absolutely necessary for everybody to give special care to one's personality - the first step to enter the ring of top career. This article gives you some great tips to transform your personality into a winning an dynamic one.

### 1. BUILD YOUR LIFE AROUND YOUR AIM

If you sit in the boat of life without knowing your destination you will become the slave of circumstances and other people. Your progress or development will totally depend on your luck. The wind of circumstances will push the boat to any direction - you won't have any control on anything. And you will rarely be able to make things happen. You may even be crushed by the competition forced upon you by other people.

To change this scenario you need to set an aim for your life. It is true that a person has several aims in life but to decide about chief aim is essential to make good progress. When you have an aim it is like a destination - you can chart your route, plan your action and formulate strategies to reach their at a speed. The personality of such a person automatically get a sort of charisma - developed by his driving force.

### 2. INCREASE GENERAL KNOWLEDGE

is power. Nobody is impressed with a person who doesn't even know what is happening around or in the world. He is considered a fool whom no wise man or woman would like to befriend or follow. Therefore it is necessary to enrich your general knowledge. And you should be the master of the field in which you are working. To update your general knowledge: a) read newspaper, b) watch informative programs on TV, c) read good & popular books, d) interact (interrelate, communicate) with intelligent persons.

### 3. PUMP UP YOUR CONFIDENCE

A look of confidence on your face impresses everybody. If you walk with a feeling of failure and frustration on your face people will shun away from you. Even if you are facing difficulties and worries in your life you must know how to think and look positive. Shake hands with others firmly. While shaking hands or talking make an eye contact with others. Speak less and with conviction. Such simple actions will maintain your confidence. Your self-confidence can not only conquer the mountains of difficulties but also the interview boards.

### 4. THE POWER OF GOOD SPEAKING

Most of the successful persons maintain a unique style in speaking. They speak clearly and forcefully. Be careful that you have a good command on the language you speak. Don't make grammatical mistakes else you may become a laughing stock. If necessary take training from a good teacher. Give extra care to your pronunciation. Speaking power is an essential trait of any good personality.

### 5. DRESS UP TO INFLUENCE

A smartly dressed-up person is admired everywhere. By observing successful people in any field, marketing, business, movies, media etc., you will come to the conclusion that most of the successful persons in almost every field have a keen taste for good dresses. Good dresses also prove a stimulus for the wearer. He feels more confident and relaxed. There is a joyful glow on his face. His handshake is more confident. A bad dress always invokes inferiority complex. No good company hires a shabbily dressed person today.

### 6. MAINTAIN YOUR HEALTH

A body burdened with this or that disease may win pity of others but it is very difficulty for that person to maintain attraction in his personality for a long time. A healthy and smart look is absolutely essential to attract others. And if you work on it you can easily attain it. Take exercise regularly, play games or go for a morning walk - whatever

suits your body and psychology. Eat balanced diet. It will strengthen the immune system of your body - keeping you healthy and fit for action.

## 7. DEVELOP GOOD HABITS

A man is generally a creature of his habits. With bad habits you may become a sheer nuisance for others. Then how will you impress them? Cleanliness, punctuality, completing your works on time, fulfilling your promises, having sincerity and dedication to work, listening others properly, keeping yourself away from smoking and drinking - are the habits which add sparkle and dynamism to your personality. They endear you to the people. You should also be friendly and polite while dealing with others. You won't be able to impress the people with an attitude of arrogance. If people feel uncomfortable in your presence it is a sign that you need to improve your behaviour. Others must feel easy while approaching or talking to you.

## 8. THROW AWAY GOOD NEWS

Who likes a person with a look of sorrow or pessimism on the face. He is bad news that nobody wants to listen to. You should always have something good to tell to others. Your face must have a glow of optimism. It enthralls others. Such a glow comes when you think positive and love others to make happy.
