

## Top 5 Prime Family Attractions in Jeddah

---

The co-operative local staff is capable of giving some precise information about the marine life on show, which is typically flora & fauna from the startling Red Sea itself.

Setting up an excursion for the family is a real big challenge. How should you ensure everyone has a great time, children and adults on the whole? Providentially, [Jeddah tourism](#) has a lot of activities you can take pleasure in and the best thing is, it guarantees 100% satisfaction to the visitors!

### **Beaches at Jeddah**

Step out on the beach! If the climate is warm enough then look no extra for an immense all-day relaxing activity. Beaches such as Coral Beach and Al Murjan Beach & Resort are uncontaminated and comparatively private. For a transform of landscape you can also think about the beach in close proximity Silver Sands, or rather drive into the heart of the city for the happening bars-and-nightlife version of the seaside, at the breathtaking Corniche Centre. To get the best out of the Red Sea, you can try snorkeling or go for diving in the sea. Jeddah endows with supreme marine activities at all levels, whether you desire to scull in shallow waters or go for scuba diving under the guidance of expert professionals.

### **Fakieh Aquarium**

Hunting for indoor activities? How about an idea of a virtual dive? A trip to the Fakieh Aquarium will offer some amazing thrills for all ages! The warren of sharks gifts some excitement and admiration to catch everyone's notice. The cooperative local staff is capable of giving some precise information about the marine life on show, which is typically flora & fauna from the startling Red Sea itself. In addition, there are entertainment shows programmed all through the day with dolphins and sea lions, but they are separate (not incorporated in the ticket price)

### **Al Tayebat Museum**

If you are in quest to engage and educate your family then you should visit a place of cultural interest. At Al Tayebat Museum, there is a vast series to signify the culture-culture in Jeddah that includes the works of boulevard art, exhibitions etc., that will be a hard thing for you to decide which to check out. It is also said that Al Tayebat Museum for global Civilization is like a Jeddah Louvre: a four-storey ex- palace, a fortune trove with 300 +rooms of art dioramas, furniture and pottery, all the compilation of a previous Jeddah trader.

### **The Floating Mosque Jeddah**

Being one of the prime attractions of Jeddah tourism, it is roughly sure that you will have in any case heard of the self-styled Floating Mosque, which is situated at the Corniche and bounded by water. It presents a striking view and is as a result one of the most attractive places in Jeddah. Remember to pay a visit to this glorious mosque!

### **The Mall of Arabia and the Red Sea Mall**

Jeddah is blessed with a number of mall that are the prime attractions to the visitors for an amazing shopping experience. If you looking for a [Shopping mall Saudi Arabia](#), then you must visit malls such as Aziz mall and Coral Mall that will reunite your family in an unforgettable entertainment and fun time. Mementos and artifacts can often be discovered in the old markets while apparels and trendy stuff can be purchased at one of the Shopping mall Saudi Arabia, like for instance the Mall of Arabia or the Red Sea Mall. They are the best malls in Jeddah.
