

## What Actually Men Want From Women?

---

Following these 3 things you would have the basic idea knowing what men want from women, generally how most men behave and the needs men want from the women in their lives.

When they say men are from Mars and women are from Venus it is obvious that they mean men and women are not alike. This means that men think very differently than women and you must be in full agreement if you already have a boyfriend.

The biggest mistake most woman make is to assume that their boyfriends will be able to know what they want even if they do not communicate it to the men verbally. But you must understand that just like you are unable to understand his needs and wants even he is not able to read your mind. And surely you would be having the most asked question by the women around the world in your mind; what do men want from women. Having a general idea about his thought process can be very helpful in this case.

### **(1) Woman Who Is Fun to Be With**

Even though men prefer to have a relationship with woman who is fun to be with and adventurous, what they seek in reality is a deep meaningful relationship just like what women seek. When you say adventurous it doesn't mean you have to perform daredevil stunts to impress him. It simply means you have to be outgoing and effervescent. This is undefined in the early stages of a relationship, especially in early dating phase. Fun loving nature would top the list when answering the question what do men want from women.

### **(2) Let Him Pursue You**

You have to get in his shoes and view your relationship. Men like women to be unpredictable. And they like to chase women. Both these factors point to the fact that he doesn't want to get you easily. Let him work hard to get you. Do not start talking about wedding plans and discussion too much about future early in your relationship. This might upset him and even scare him. Less is more is the key as far as discussing future is concerned when thinking about what do men want from women. The perfect way to make him think more seriously about long term commitment is to not putting pressure on him for it. He needs the commitment factor to come naturally to him. Any pressure would simply blow away any chance of getting him to it.

### **(3) Importance of Trust and Honesty**

There is a saying 'do unto others as you want them to do unto you'. This is undefined than ever when you talk of honesty. Your boyfriend needs the same honesty from you that you expect from him. Being honest doesn't always mean sharing the deepest secrets with him. But in general you have to be honest about the more important things. Also show him that you trust his words and even if you have an urge to ask do not ask too many questions about his where about always.

Following these 3 things you would have the basic idea knowing what men want from women, generally how most men behave and the needs men want from the women in their lives.
